

FREE SEMINAR: THE FUTURE FOR SOFT FRUIT AND BEST PRACTICE

In 2019 the soft fruit market continues to face some big challenges. With Brexit, labour shortages, recent difficult growing conditions and retail pricing affecting the sector in 2018, it's more important than ever to get the best possible result from your protected crop.

27 February 2019

Do you want to hear about the future for the protected soft fruit sector?

Here is your opportunity to network with your peers and hear about the latest best practice irrigation strategies, Big Data, equipment and infrastructure, all geared to give you the best possible yield and quality of fruit along with the latest government sponsored initiatives.

Priva UK and CMW Horticulture are proud to sponsor with confirmed speakers from 30MHz, Ridder Screens, NFU Energy, Certhon and VDH.

Want to hear more? We invite you to a free seminar at the Red House Hotel, Coupar, Angus on the 26th March. All those attending will receive a goody bag from the sponsors!

The day will begin with registration from 09:00 and close at 16:00 - Lunch and refreshments will be provided. Places are limited and will be allocated on a first come first served basis so please confirm your attendance as soon as possible, but no later than Friday 15th March.

Register for the event [here](#).

We look forward to welcoming you to the seminar.
